

# Trumps Bridge Centre Friendly Pairs Congress

30 AUGUST 2015 (SUN)

## A congress with a difference

*by Derrick Browne*

The annual Trumps Friendly Pairs (held Sunday 30 August) features prizes not only for the overall top scorers, but also for best within various masterpoint categories, and best on ratings (handicap). Also, reflecting the difference from a regular congress, the prizes are all non-cash. About a dozen pairs each win prizes such as wine, chocolates, and bridge books and supplies, valued at about \$50 per pair, or more for the main winners.

*The winning pairs Kim Morrison and Toni Sharp with runners up Pedro Saavedra and Matt Smith.*

*Plate winners Mitch Dowling and Claire Langford.*

*Director Nick Hughes was busy with the scoring.*
