**Y**amba held its 9th Swiss Pairs Congress on Saturday and Sunday 6/7 May. Apart from the local Club, players from 16 Clubs made up the 20 table event including players from north of the border and down to Sydney with an especially large representation of 28 players from Ballina Club.

As usual, a raffle was conducted with all proceeds going to the Westpac Rescue Helicopter Service. In addition, thanks to our generous Sponsors Yamba Naturopathics, Kitchen to Table and Seans Butchery, a lucky dip was held prior to the prize presentations.

Championship winners were Alan Gibson and Alison Dawson, runners up were Janet Brown and Eric Hurley. Plate winners were Deborah McLay and Ian Michelson, runners up were Jamie McFall and Frances Gaunt. Best local pair were Tony and Robyn Bowden and the best pair with under 100 MPs each were Jill Causley and Barbara Backshall.

Thanks to Director, Chris Snook, from Toowoomba, who ran a smooth and efficient event, and to all the players who made the weekend so rewarding. A special thanks also to the Golf and Country Club for providing us with such an excellent venue and splendid catering. Finally, thanks to all our Club members without whose hard work and dedication this event would not be possible.
