Getting there

Wollongong is located around 1 hour south of Sydney at the end of the F6 expressway. The Illawarra Bridge Association (IBA) club room is located in the **Figtree Community Hall, 11 Princes Highway, Figtree (opposite McDonald's)**. Click on this [link](#) to view on Google maps.

Coming from the north, approach Wollongong via Picton Rd or the F6, travel down Mt Ousley into Wollongong. Watch out for the speed camera at the bottom. About 1km past the speed camera, get into the left lane and take the off ramp that says "Figtree Wollongong, (+Hospital)". At the end of the off ramp, turn right towards Figtree. Travel south down the Princes Highway for about 1 km, and once past a small bridge, take a sharp turn left into a park-like setting, where the club is located.

Coming from the south, continue on the F6 travelling north, and stay in the left hand lane passing under 'The Avenue' overpass. Take the exit titled "Princes Hwy, Wollongong EXIT". At the end, turn left onto the Princes Highway. After about 500 metres, once past a small bridge, take a sharp turn left into a park-like setting, where the club is located.

Wollongong

As a main regional centre in NSW, and home of the scenic Sea Cliff Bridge, there are many accommodation options around the city centre, which is a comfortable 10 minute drive to the venue. These range from B&Bs to motels and apartments.

Likewise, there is a generous assortment of dining options including clubs, restaurants, and some fine dining options on Keira Street.
