

**WELLINGTON BRIDGE CLUB'S**  
**ANNUAL CONGRESS**

Held under the auspices of the NSW Bridge Association.

**SATURDAY MARCH 7th 2020 PAIRS**

**AND SUNDAY MARCH 8th TEAMS**

**PLAY STARTS AT 9.30AM ON EACH DAY**

The Wellington Bridge Club is excited to let you know that our Congress is on again for the sixth time. Our little club works hard to provide our visitors with a social weekend of bridge in a lovely location with great food and well organised and directed bridge sessions.

David Reddel, our regional director will again be looking after us, ensuring that the sessions are played in a congenial atmosphere without angst or poor behaviour. In the unlikely event that things go pear shaped all players are subject to the NSWBA's Congress Disciplinary Regulations. Red master points at Level B4, and lots of them, can be earned during each session.

Our food goes a long way to creating a great atmosphere with luxurious grazing all day lovingly made by our local members with, of course, plunger coffee! A light yummy lunch el fresco is of course included in the entry fee which is unchanged at \$40.00 per player on each day.

Payment please at time of entry by direct debit to BSB 062619 A/C 10072340 using your surname as reference

We offer monetary prizes in three divisions on each day but do not advertise the amounts until entries are closed and we have a good idea of total attendees. Our generous sponsors also swell the prize pool and content.

The Novice section is for players with less than 50 master points, the Restricted section for players with between 50 and 200 master points, with the Open section 200 plus master points. Master points are as at Jan 31<sup>st</sup> 2020

It is recommended that you enter on line at [www.nswba.com.au/tourn/calendar](http://www.nswba.com.au/tourn/calendar) but if you prefer you can contact the convenor Peter Reed on 6845 2540 or his email [petlee12000@yahoo.com.au](mailto:petlee12000@yahoo.com.au)

If you need help with accommodation, finding a partner or a pair for the either event, Peter will be able to help you.

There is a table limit of 32 so be sure to get your entries in well before the closing date of March 4<sup>th</sup>.
