Players subject to NSWBA Congress Disciplinary Regulations

This is a Zonal event that is both different to and separate from the Country Teams Championship.

Conditions of contest

The Championship is an inter-club competition, open only to clubs in the NSWBA's Southern Zone, which includes the South Coast, Far South Coast and Southern Highlands regions.

Each club in the Zone may send one or more teams to participate. The maximum number of teams is based on the number of home club members listed on the ABF Masterpoints website, as follows:

1 team per club with up to 75 members (Bega Valley, Berry, Bridge at the Bay, Bungendore, Goulburn, Milton, Moruya, Nowra, Sapphire Coast)

Up to 2 teams per club with 76-150 members (Batemans Bay, Bowral, Mollymook, Southern Highlands)

Up to 3 teams per club with over 150 members (Illawarra, Kiama).

All team members representing a club must be financial members of that club. Clubs will determine their own method of selecting a representative team or teams.

The club secretary (or other duly authorised club official) should advise the organiser of the teams and names of team members by no later than 1 June 2023.

Entry fee and travel subsidy

The entry fee is \$60 per team, payable in cash on the day. Tea/coffee/biscuits available through the day. Lunch will also be provided.

Teams travelling >100 km to the venue will be eligible for a subsidy of \$60 per team (this therefore includes those from Kiama and further north; from Bega and further south; and from the Southern Highlands).

Additional regulations

The format will be a 6-round Swiss Teams of 9-board matches. No yellow systems are permitted.

Teams from the same club may play one another in the morning session (3 matches) but not in the afternoon session (3 matches).
