If I am a successful bidder for a pair playing in the Grand Prix Stage 1

I agree that:

Should the pair I bid for fail to survive to be qualified to play in the Grand Prix Stage 2 my successful bid will transfer to the pair promoted to take place of the pair for whom I have successfully bid.

Should the pair survive the Grand Prix Stage 1 but fail to survive to be qualified to play in the Grand Prix Final my successful bid will transfer to the pair promoted to take place of the pair for whom I have successfully bid.

Up to 30 minutes after the completion of play on Saturday night (the Survivors 2 phase of the main event), pairs that I sponsor and who have qualified to play in the Grand Prix final are entitled (at their option) to purchase up to 50% as a pair (or 25% each) of the prize entitlement from me. The price paid shall be no higher than the price I paid at the auction on Friday 10 November 2006 for that portion.
