2011 CONGRESS/HOLIDAY/CRUISE APPLICATIONS

The Congress and State Events Coordinator will allocate congress, holiday and cruise dates for 2011 according to the guidelines below.

- All congresses, holidays and cruises must be approved by the Congress and State Events Coordinator, New South Wales Bridge Association.
- Holidays and cruises will generally receive automatic approval subject to resolution of clashes. The NSWBA is required by the ABF to gain approval for masterpointed events held outside NSW from the State Body in which the holiday or cruise is to be held. If the relevant State Body does not approve the event then the NSWBA will be forced to reject the application. Please include the approval with the application. *Note: Holidays and Cruises are treated the same as Congresses as far as Congress Licence Fees are concerned.*
- Super Congresses must be approved each year by the Chairman of the ABF Masterpoint Unit, David Anderson. Email revokel@bigpond.com. Please include the approval with the congress application.
- Due to the number of congresses, regional clashes particularly in and near Sydney are likely on some weekends. Clubs concerned will be consulted and in some cases clashes may occur with each club's consent. If agreement cannot be reached the following order of priorities will be applied to resolve the issue.
 - 1) An application received on time will have first right to a date;
 - 2) A 'primary'* (see below) congress will have first right over a non-primary one;
 - 3) Established Congresses on a date will have first right;
 - 4) The first application received will have first right.

**Each club may list only one Congress as its Primary Congress.*

- In extreme cases the Congress and State Events Coordinator or NSWBA Council may override the above order.
- Applications must be made on the application form and sent by mail or email to the Congress and State Events Coordinator by July 31, 2010. A draft calendar will be compiled based on these applications and will be sent out to the clubs for final approval during September. It will also be available on the NSWBA website. Any alterations to the draft need to be returned by the end of October. One copy of the NSWBA wall planner will be sent to each club at the end of the year. Small supplies of spare wall planners will be available - if you want more please ask and they will be supplied on a first ask first served basis.

Please send applications to the Congress and State Events Coordinator:-
