***About RealBridge**

RealBridge can be described as a fusion between Zoom and BBO - it's online bridge where you can see and talk to your partner and the opponents. It has slightly stricter browser requirements than BBO so please do the system and program checks before you play your first session - follow the [RealBridge Setup](#) link on the event entry page. The NSWBA is offering numerous free 30 minute [RealBridge Taster](#) sessions to give all players the chance to get used to RealBridge before this event begins.
